INTRODUCTION

Knitting in the Lap of Luxury

We're excited to present the latest entry in our ever-popular 60 Quick Knits series. This time we've introduced a new twist: luxury yarn.

The designs in this book have been created using Cascade Yarns' Venezia Worsted and Venezia Sport, two different weights of the same sumptuously soft blend of merino and silk. The silk content gives the yarn a beautiful sheen and drape, while the merino provides warmth and structure.

The best thing about Venezia is that it's not only luxurious but also affordable—so you can create any of the gorgeous projects in this collection without breaking the bank! Every type of accessory, from shawls to hats to mitts, is included, with plenty of variety for knitters of all styles and skill levels.

Pick up your nicest set of needles and settle in to knit something truly special.

Provisional Cast-On

With knitting needle and yarn, pick up and knit the stated number of sts through the "purl bumps" on the back of the chain. To remove scrap chain, when instructed, pull out the tail from the last crochet st. Gently and slowly pull on the tail to unravel the crochet sts, carefully placing each released knit st on a needle.

Note

Shawl is worked in rows. Circular needle is used to accommodate large number of sts. Do not join.

Stitch Glossary

BYO Backward yarn over.

Provisional Cast-on

Using scrap yarn and crochet hook, chain the number of sts to cast on, plus a few extra. Cut a tail and pull the tail through the last chain. With knitting needle and yarn, pick up and knit the stated number of sts through the "purl bumps" on the back of the chain. To remove scrap chain, when instructed, pull out the tail from the last crochet st. Gently and slowly pull on the tail to unravel the crochet sts, carefully placing each released knit st on a needle.

Note

Piece is worked lengthwise in a tube, using the intarsia in the round technique; then the ends are joined to form the infinity scarf.

Scarf

With A, cast on 84 sts using provisional cast-on method. Place marker (pm) for beg of rnd and join, being careful not to twist sts.

Rnd 1 With A, k42, drop A (do not break) and pick up B (twist yarns to prevent holes), k42, sl marker, turn.

Rnd 2 With WS facing and B, yo, sl marker, p42, drop B and pick up A (twist yarns to prevent holes), p41, p2tog (last A st and yo), sl marker, turn.

Rnd 3 With A, BYO, sl marker, k83, ssk (last st of rnd and BYO).

Rnd 4 With A, knit.

Rep rnds 1–4 until piece measures 56"/142cm or desired length, end with a rnd 2.

Break yarn, leaving a tail approx 2yd/2m long for grafting ends tog.

Finishing

Weave in all ends except long tail. Carefully remove scrap yarn and place sts on spare circular needle. Holding needles parallel to each other with WS tog and striped sections matching, being careful not to twist the scarf, graft ends tog using Kitchener st. ■

Checking Your Gauge

Make a test swatch at least 4"/10cm square. If the number of stitches and rows does not correspond to the gauge given, you must change the needle size. An easy rule to follow is: To get fewer stitches to the inch/cm, use a larger needle; to get more stitches to the inch/cm, use a smaller needle. Continue to try different needle sizes until you get the same number of stitches and rows in the gauge.

Metric Conversions

To convert from inches to centimeters, simply multiply by 2.54.

■ CROCHET CHAIN

1. Pass yarn over hook and catch with hook.

2. Draw yarn through loop on hook.

3. Repeat steps 1 and 2 to make chain.

■ YARN OVER (BETWEEN TWO KNIT STITCHES)

Bring the yarn from the back of the work to the front between the two needles. Knit the next stitch, bringing the yarn to the back over the right needle.
